Use lot's of air and a big blues harp tone. This lick also works real well amplified with a little dirt on the sound. Enjoy!

Hole:            1            2            2            3            2

Blow/Draw: D            B            D            D            D

(the bent arrow means to bend up in the note)
